Gentlemen:-

In compliance with your request for my experience as to the value of the City Directory as an Advertising Medium, beg to say that I have used a page adv. for the last three years, and have ample results from it to justify my continuing to carry it.

I have found it be a good investment.

Wishing you success,

I am respectfully,

Foreword.

This is the 32nd volume of the ATLANTA CITY DIRECTORY; and the 9th volume issued under this management, and it gives us great pleasure to say that Atlanta has advanced more rapidly, along material, commercial, social and artistic lines, and grown more rapidly, during the last nine years, than any similar period in her history.

This means, from our viewpoint, that it requires each year more labor, more money, more time, more care, to produce the City Directory, that there are more names to handle, more territory to cover, more difficulty in obtaining accurate information, and more liability of errors being made, but notwithstanding we feel that we present a book that is fully up to the standard of any former issue, and much above that of the majority of other cities.

We again beg to call the attention of our Mayor and Council to the very inadequate manner of numbering the houses on our streets; it seriously handicaps our merchants, and citizens, as well as all strangers, causing endless annoyance, confusion and loss of time; all of which could be avoided by adopting the centinary (or 100 to the block) system, the one used by big office buildings.

We would also call the street committee's attention to the duplicate names of streets, which cause lots of confusion; and the irregular numbering on other streets, all of which should be adjusted in a city as large as this.

We desire to thank those citizens generally, and employers of labor in particular, who have so kindly and generously given our representatives full and complete information regarding themselves and employees, for without their co-operation we could not produce a book that would be of much service.

We assume that everybody realizes how vitally important it is that each and every citizen, no matter how humble, should be correctly chronicled in the city directory, a thing that costs them nothing but may be of immense value in case of accidents, telegrams, letters, inquiries of relatives, delivery of goods or the many unexpected conditions that arise in the course of human events, in fact a person who neglects to have correct and complete information accorded to himself places himself, his friends and all whom he has dealings with at a serious and sometimes costly disadvantage.

POPULATION.

There are 50,176 names in this book, using a multiple of 3 & 1-5 to each name, gives a population of 160,563 or 2,538 more than 1907; of this number we estimate that 116,800 reside within the corporate city limits, and 43,000 within the boundaries canvassed by us and reached by street car service, exclusive of the Marietta line beyond the river.

Of the 50,176 names about 17,000 of them carry the wife's name thereby making 67,000 names actually in the book.

About 1,000 of the floating element of the negro population was left out this year; using the same multiple, this would account for 3,200 people, which would make our increase 5,738.

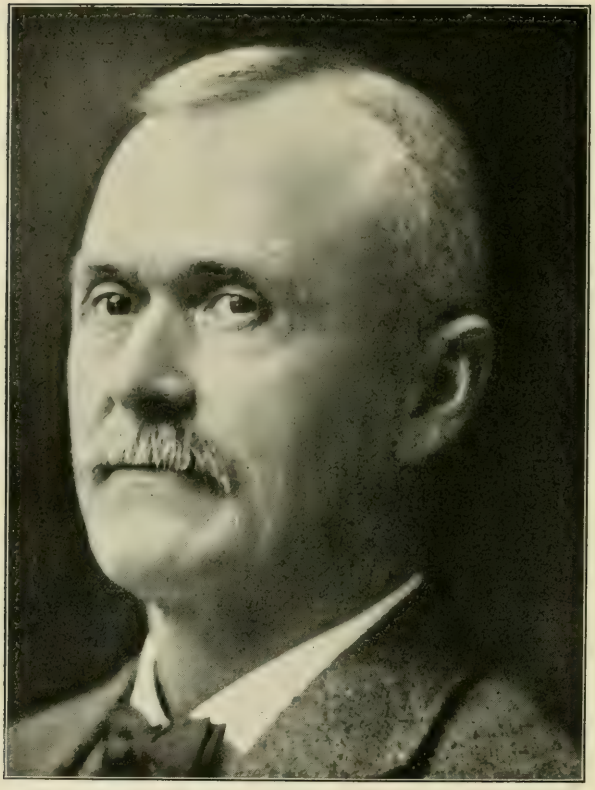
MAKERS OF ATLANTA



BY THE TERM "MAKERS OF ATLANTA" WE DO NOT MEAN ONLY THOSE WHO HAVE HELPED MAKE ATLANTA, BUT THOSE WHO ALSO ARE HELPING TO MAKE ATLANTA THE EMPIRE CITY OF THE SOUTH.

WE DESIRE THROUGH THIS DEPARTMENT TO CHRONICLE IN ENDURING FORM, THE NAMES AND FACES OF THE MEN WHO ARE NOW CREATING AND UPBUILDING THIS MAGNIFICENT MONUMENT TO THEIR OWN INDUSTRY, SAGACITY AND PROGRESSIVENESS.

WE HAVE IN THIS, THE CITY OF ATLANTA, CAMEO ENGRAVED BY TALL BUILDINGS, LARGE INDUSTRIES, PALATIAL HOMES, MODERN SCHOOLS, AND WELL PAVED STREETS, ONE OF THE GRANDEST TESTIMONIALS TO THE INTEGRITY, UNSELFISHNESS, AND THRIFT OF A PEOPLE WHO WOKE UP ONE MORNING ABOUT FORTY-TWO YEARS AGO PENNILESS, AND STRIPPED OF EVERYTHING SAVE THEIR HONOR AND AN UNDAUNTED AND UNCONQUERABLE SPIRIT.

SOME OF THE MEN WHOSE PICTURES GRACE THE FOLLOWING PAGES WERE MEMBERS OF THAT SMALL BAND, OTHERS HAVE JOINED THEM, UNTIL NOW WE HAVE, AS REPRESENTATIVES OF THE PAST AND PRESENT ATLANTA, THE MEN WHO HAVE AND ARE SENDING ATLANTA TO A FOREMOST SEAT AMONG THE MOST ENLIGHTENED AND PROGRESSIVE CITIES IN THE WORLD.

THIS BOOK IS PRESERVED AS NO OTHER WORK OF REFERENCE IS; IT IS A YEARLY HISTORY OF THE GROWTH OF ATLANTA, PUT INTO CONCRETE FORM, AND WILL ENDURE AS LONG AS THE CITY ITSELF; THEREFORE THERE IS NO MORE FITTING PLACE TO PUBLISH THE PICTURES AND WORKS OF THE MEN WHO MAKE ATLANTA THAN IN IT, AND WE HOPE TO SEE FUTURE EDITIONS MORE FULLY REPRESENTATIVE OF THE MANY MEN WHO ARE MAKING ATLANTA THE GREATEST AND BEST CITY IN THE SOUTHLAND.

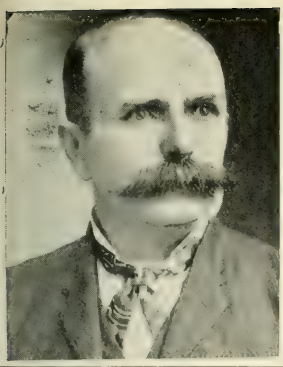
A FEW OF OUR BEST "PUBLIC SERVANTS"

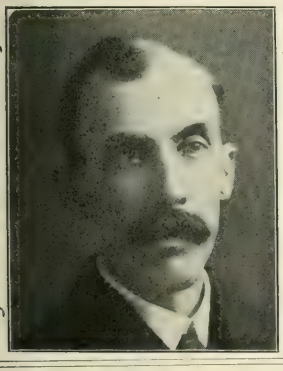
Mr. Alonzo J. Johnson Councilman from First Ward. Has lived in Atlanta 35 years. He is General Agent for Life and Accident departments of Pacific Mutual Life Insurance Company of California with offices at 228 and 229 Prudential Building.

C. W. Mangum, Councilman from the Third Ward, came to Atlanta in 1847, entered railroad work in 1862, has been general yardmaster of the W. & A. R. R. in Atlanta for the last seventeen years.



W. Thomas Winn, the well-known Fire and Accident Insurance Agent of 612 4th Nat. Bank Bldg., is the junior Councilman from the Fifth Ward. He had no opposition, which is very unusual in the "bloody fiith". Tom Winn has lived in Atlanta 26 years and went through the public schools; for five years he was connected with the Tax Assessors Office, and later served a term on the Board of Health. His friends predict that he will make a valuable representative of the Fifth Ward.

James T. Wright, Councilman from the Eighth Ward and a member of the law firm of Napier, Wright & Cox, Century Building. He is one of the leading lawyers of the city, and when elected received every vote cast in his ward.

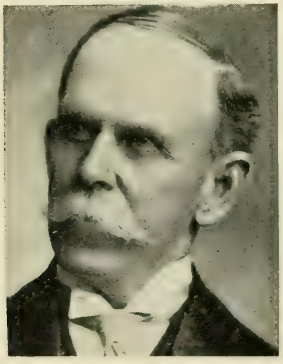


Irving F. Styron, Councilman from the Fifth Ward, is one of Atlanta's most faithful servants and a man of sterling qualities. He is a successful grocer and holds the confidence and esteem of his ward, having been sent to council before, and then proved himself worthy of the high honor and trust.

I am a Candidate for the Legislature from Fulton County, subject to the next Democratic primary. Edward Crusselle, General Stenographer, Notary Public and Court Commissioner, Correspondence and Reporting. 612 Prudential Bldg. Bell Phone 1728.

Mr. McElreath is one of Atlanta's leading Lawyers, who, by energy and devotion to his profession has made a conspicuous success, having in a few years built up a large and remunerative practice.

Wm. H. Terrell, Attorney and Counsellor at Law, Rooms 621-622 Temple Court, Atlanta, Ga. Telephones 776. Will do a general practice in all the Courts both State and U. S.



Alex. W. Stephens, Lawyer, 215-17 Equitable Building. Mr. Stephens is a member of the City Executive Committee from the Sixth Ward, and is vice-chairman of that Committee. He is also a prominent member of the Young Men's Democratic League, and will be a candidate for the next Legislature from Fulton County.

Henry A. Alexander, Lawyer, 206-8 Equitable Building, is a candidate for the Legislature in the primary of 1908, and is running upon a platform to stop the fight on the railroads; for prohibition, and for a strong constructive policy in State affairs.

Mr. Henry L. Collier has recently been elected, without opposition, for the fourth term as Commissioner of Public Works. He graduated in civil engineering at the University of Georgia in 1872, was chief engineer in charge of location and construction of ten railroads from 1880 to 1890, and from 1898 to 1901. Mr. Collier is undoubtedly one of the best posted engineers on municipal subjects in the South.

Dr. A. H. Baskin, office 104 Whitehall Street, attends to general practice in his profession and is Councilman from the First Ward where his services have been valuable.

Charles W. Bernhardt is a Candidate for the Legislature subject to the White Primary.

Mr. Bernhardt is a contractor and builder with offices at 33 Ivy Street; a prominent labor leader and a man of sterling character and worth.

A. W. Farlinger is a Candidate for the Legislature, subject to Democratic primary, upon the following platform:

Civic righteousness.

More rigid enforcement of the Pure Food Law.

Less legislation, and better enforcement of existing laws.

The cotton is grown in Egypt which enters into **The Blood Mfg. Co.** Hosiery; it has the longest fibre and makes the strongest threads. The threads are four-strand and tightly twisted; therefore the hosiery is very long of wear.

It fits to perfection and being made without seams does not hurt the feet.

We obtain it direct from the factory and save you middlemen's profits, and we recommend **The Blood Mfg. Co.** Hosiery as the best for men, women and children. Ask for it.
